Any refusal of a license or approval pursuant to this section shall be rendered in accordance with the provisions of sections 46a-79 to 46a-81, inclusive. Any person whose license or approval has been revoked pursuant to this section shall be ineligible to apply for a license or approval for a period of one year from the effective date of revocation.

(b) When the commissioner intends to suspend or revoke a license or approval or take any other action against a license or approval set forth in regulation adopted pursuant to section 19a-79, the commissioner shall notify the licensee or approved staff member in writing of the commissioner's intended action. The licensee or approved staff member may, if aggrieved by such intended action, make application for a hearing in writing over the licensee's or approved staff member's signature to the commissioner. The licensee or approved staff member shall state in the application in plain language the reasons why the licensee or approved staff member claims to be aggrieved. The application shall be delivered to the commissioner within thirty days of the licensee's or approved staff member's receipt of notification of the intended action. The commissioner shall thereupon hold a hearing within sixty days from receipt of such application and shall, at least ten days prior to the date of such hearing, mail a notice, giving the time and place of the hearing, to the licensee or approved staff member. The provisions of this subsection shall not apply to the denial of an initial application for a license or approval under section 19a-87b, provided the commissioner shall notify the applicant of any such denial and the reasons for

such denial by mailing written notice to the applicant at the applicant's address shown on the license or approval application.

(c) Any person who is licensed to conduct, operate or maintain a family day care home or approved to act as an assistant or substitute staff member in a family day care home shall notify the commissioner of any conviction of the owner, conductor, operator or maintainer of the family day care home or of any person residing in the household or any person employed in such family day care home in a position connected with the provision of care to a child receiving child day care services, of a crime which affects the commissioner's discretion under subsection (a) of this section, immediately upon obtaining knowledge of such conviction. Failure to comply with the notification requirement of this subsection may result in the suspension or revocation of the license or approval or the taking of any other action against a license or approval set forth in regulation adopted pursuant to section 19a-79 and shall subject the licensee or approved staff member to a civil penalty of not more than one hundred dollars per day for each day after the person obtained knowledge of the conviction.

(d) It shall be a class A misdemeanor for any person seeking employment in a position connected with the provision of care to a child receiving family day care home services to make a false written statement regarding prior criminal convictions pursuant to a form bearing notice to the effect that such false statements are punishable, which statement such person does not believe to be true and is intended to mislead the prospective employer.

(e) Any person having reasonable cause to believe that a family day care home, as defined in section 19a-77, is operating without a current and valid license or in violation of the regulations adopted under section 19a-87b or in a manner which may pose a potential danger to the health, welfare and safety of a child receiving child day care services, may report such information to any office of the Department of Public Health. A formal statement of charges issued by the department shall be subject to the provisions of section 1-210 from the time that it is served or mailed to the respondent. Records which are otherwise public records shall not be deemed confidential merely because they have been obtained in connection with an investigation under this section.
